POLICY ON SWIMMING

Aims/Purposes

- To enable pupils to acquire basic swimming skills while they are at Kilbrittain N.S.
- To comply with the requirements of the Revised Curriculum in aquatics.

Procedures Guidelines

- Each pupil will attend a 6-8 week session in a swimming pool annually from 2nd – 6th class
- The swimming pool at Leisureworld, Bishopstown is normally reserved in May for the year ahead
- Costs incurred by hiring of pool, bus, and payment of instructors necessitate a fee payable per pupil. Inability to pay will not preclude a pupil from participating fully in swimming classes.

Instructional Arrangements

- Swimming programme for all classes from second to sixth will be organised
- The class teacher and a qualified swimming instructor(s) will co-ordinate the swimming sessions
- Instruction in the pool will be provided by Leisureworld Bishopstown
- Special classes will attend with their mainstream class group where possible and may also avail of small group lessons annually

Travel and Supervision Arrangements

Pupils will be accompanied by and supervised by the class teacher on the way to the pool from the school. Pupils will travel to and from the swimming pool by coach and the class teacher/S.N.A's will provide supervision before and after the swimming lesson.

Health and Safety

Best practice in relation to the supervision, instruction and child protection procedures as outlined by the Irish Sports Council, Swim Ireland and the National Safety Council will be adhered to at all times.

Pupils are required to behave at all times in a manner that ensures the safety of all involved in school swimming.

Parents/guardians will receive a standard letter through the school app providing information on school swimming before their child starts their swimming term. A consent note, granting

permission for a child to participate in swimming must be returned via the app to the class teacher prior to the start of the swimming term.

Where a parent/guardian has a health concern regarding their child’s participation in swimming, professional advice must be sought before the child participates in the swimming lesson. All children should participate in swimming lessons where possible.

In the best interest of the child, it is the duty of parents/guardians to inform the class teacher and/ or Principal with regard to any health condition that may affect the child in the pool. This information will be held in confidence and provided on a need to know basis to the swimming instructors.

Deodorants etc. must not be brought to the pool as the dressing rooms are confined spaces. The Health and Safety Guidelines outlined by the pool authorities will be strictly adhered to.

Monitoring / Evaluation / Review:

Policy is revised annually or at other times if deemed necessary.
